Hyderabad
Deccan.

11th May 1924.

1467
My dear Mirza,

Many thanks for your very kind letter of the 4th May and the terms in which you congratulate me. When will I be in a position to offer you my congratulations on something very much better ?

I am particularly anxious to see Dr. Seal, so I do hope he will be able to attend. It is very kind of you to have asked your officers that we should try and meet before the Conference begins. Masud and I (with my wife) hope to be in Hotel Cecil on the 17th.

I am so sorry that you are not going to Ooty. I was looking forward to my son seeing a good deal of you during the season as both he and his wife has taken so much to you and Mrs. Ismail.

Many thanks for the cutting about the Octogenarian. I had heard before this that Bangalore was very favourable to longevity.

I shall certainly make it a point to see Raja Sir Daljit Singh, who I think was in the India Council. Suffiism ought to be a bond with us.

I had a nice letter and photo from Mr. Zimand. The copy that you had sent me shows that every one coming in contact with you comes to

2.

have the same opinion as I hold of you.

I have not yet been able to find out anything about Mustafa Khan, but I am making enquiries and will let you know as soon as I come to ascertain anything definite about him. I have not yet been able to locate him.

With kind regards from us both
to you both,

Yours always affectionately,

Alfred

Three proposals

- (1) Sankey's revision
- (2) Hymaykelli
- (3) Maille's scheme

(1) Sankey's rank

Sail-factory

Palace of the King

Yan's was up in the day as a

sub. sat can not be done

unless a year of delay

It will be done nothing

with other one or two more

nothing else to see a proper S R

in the Council 25 years in the air

but now 7 1/2 miles further

5 miles -- almost in the air

7 1/2 -- 25 years

10 miles -- 100 miles

Ray's scheme will give us

Pumpkin. 100 miles

100 miles in the air

but the date will be

in the air 100 miles

to

13 miles in the air

to 100 miles

to 100 miles

to 100 miles

to 100 miles
